ALAN T. BURDGE

An Ohio Wesleyan Senior, passed away March 18, 1971 due to complications from leukemia. Alan, the son of Mr. and Mrs. A.E. Burdge, Spring Lake, New Jersey, was an English major and an active member of Phi Gamma Delta fraternity. Alan lettered as a pole vaulter on the O.W.U. track team. He was a member of Omicron Delta Kappa, national leadership honor society for men, and was a member of the English Departmental Board, an advisory group consisting of both students and faculty. Alan had also served on the Wesleyan Council on Student Affairs (W.C.S.A.). Not only was Alan an active student but a good friend to many. His spirit will always be with us.

THOMAS GEORGE RONEY

died May 13, 1971, twenty-one years of age. Tom was the son of Mr. and Mrs. R. T. Roney, Old Greenwich, Connecticut. Tom was a sociology major and was active in drama productions. He played the role of Bailey in the production. **The Night Thoreau Spent in Jail.** Tom was also active in tutoring, the Student-Y, and the Appalachian program. Tom was formerly an active member of Sigma Alpha Epsilon fraternity. Tom's presence will be missed by many Ohio Wesleyan friends.

Our House is a very, very, very, fine HOUSE

In the sweetness of friendship
let there be laughter and
sharing of pleasures.

For in the dew of little
things the heart finds
its morning and is
refreshed.

MY FAIR LADY

Chi Omega Symphony

To live constantly above snobbery of word or deed; to place scholarship before social obligations and character before appearances; to be, in the best sense, democratic rather than "exclusive" and lovable rather than "popular"; to work earnestly, to speak kindly, to act sincerely, to choose thoughtfully that course which occasion and conscious demand; to be womenly always, to be discouraged never; in a word, to be loyal under any and all circumstances to my fraternity and her highest teaching and to have her welfare ever at heart that she may be a symphony of high purpose and helpfulness in which there is no discordant note.

I do my thing, you do your thing.

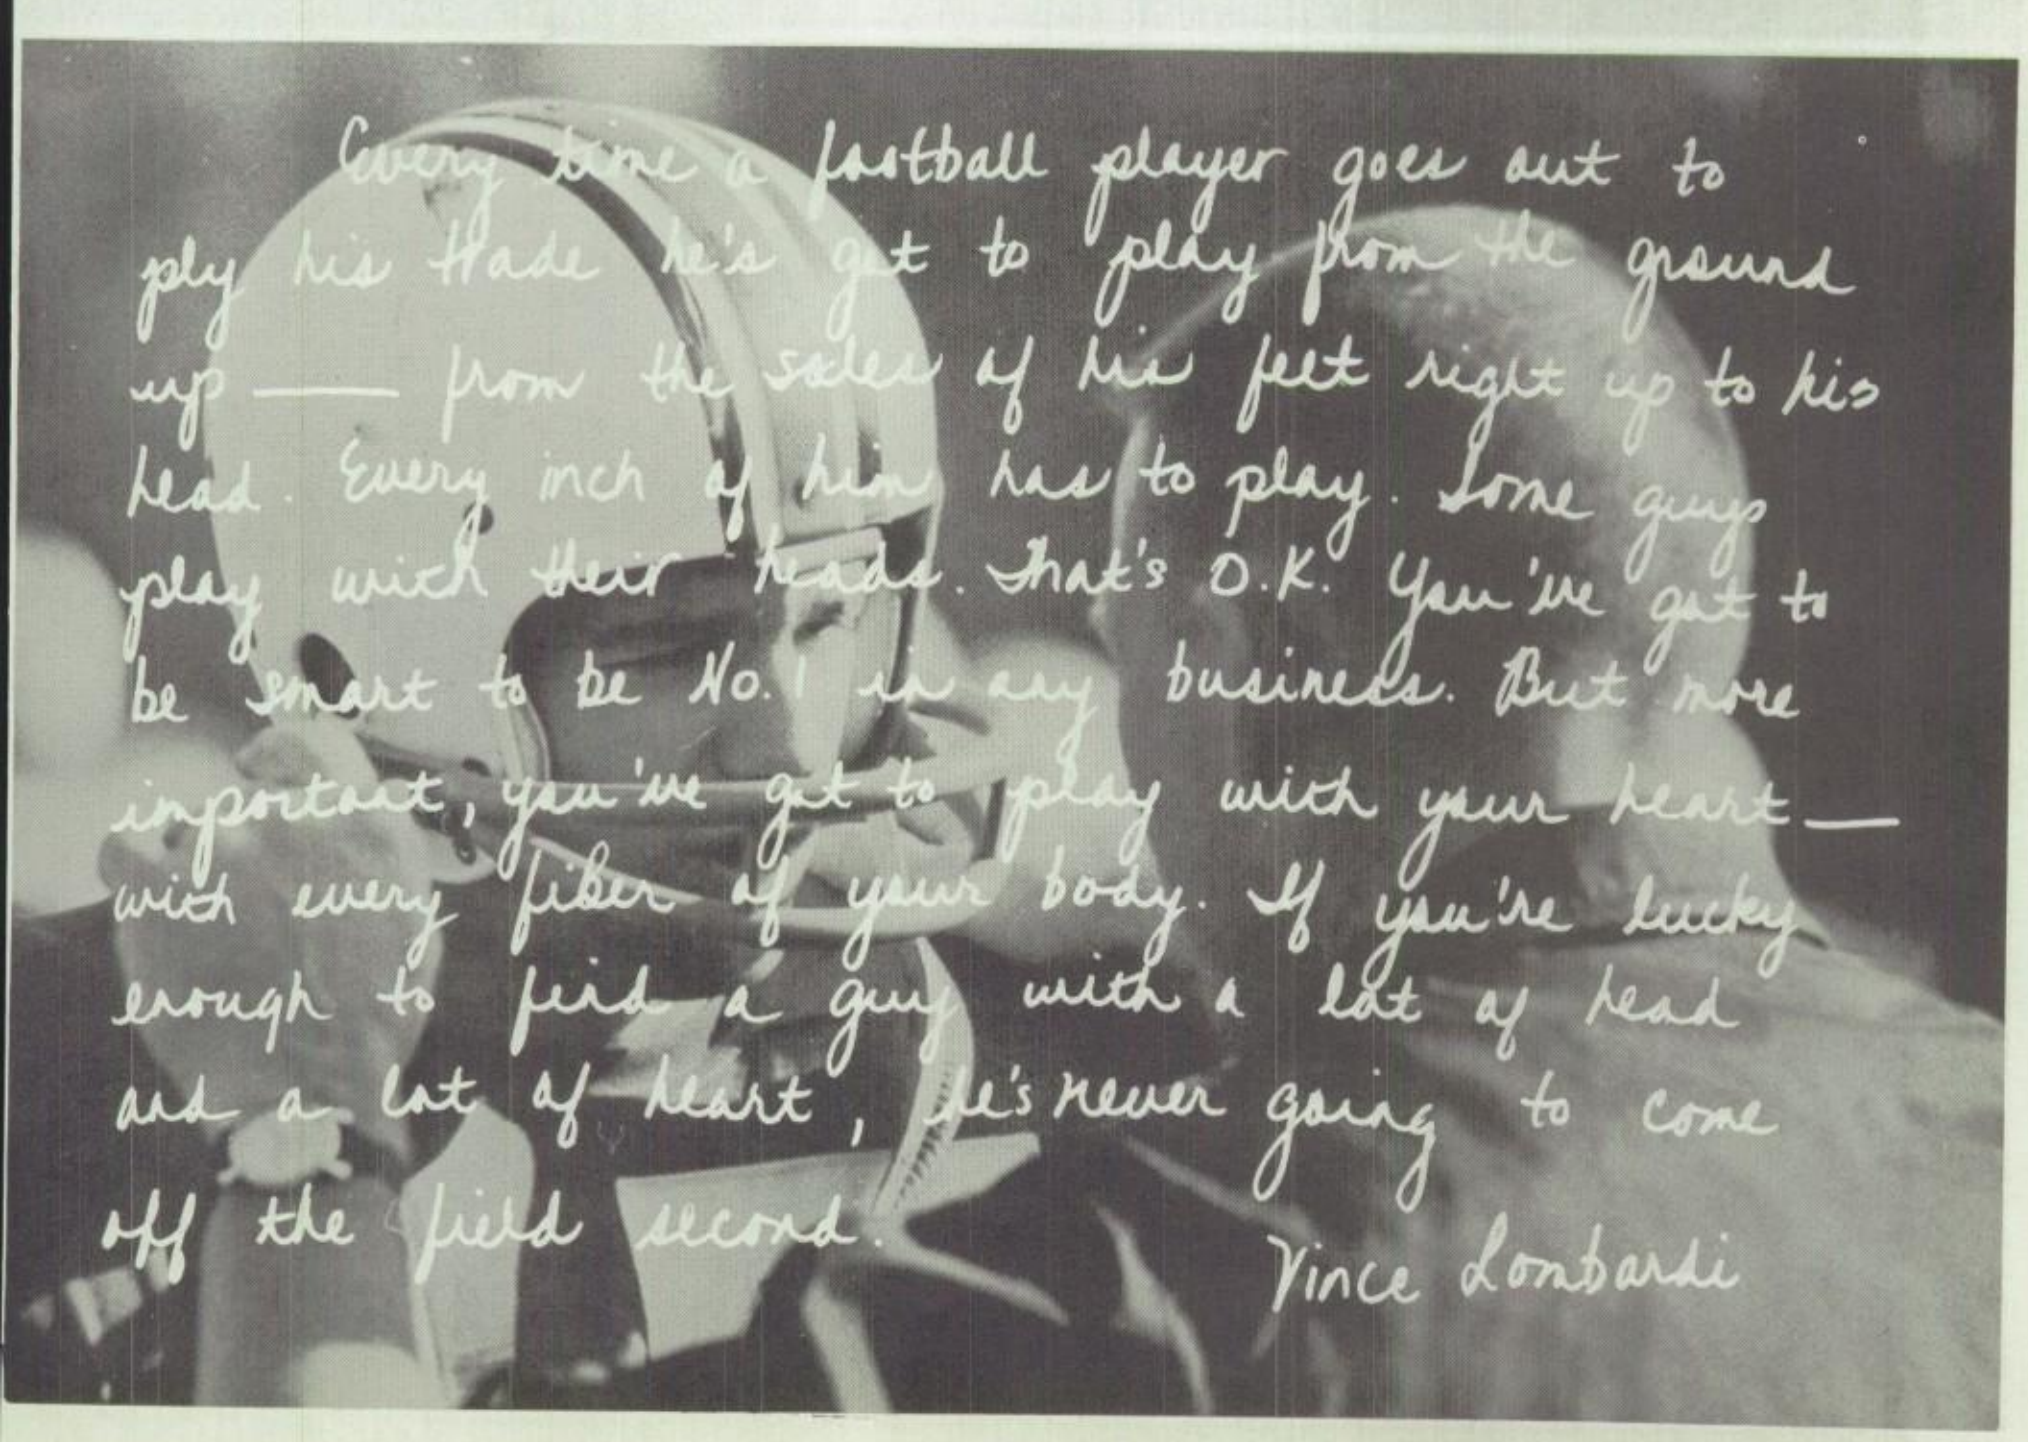
I can wrap it up in one word—
dedication — working every day as if the
whole game depended on you, even when
you know you're not going to start.
Earl Morrall



Every time a football player goes out to play his trade he's got to play from the ground up — from the soles of his feet right up to his head. Every inch of him has to play. Some guys play with their heads. That's O.K. You've got to be smart to be No. 1 in any business. But more important, you've got to play with your heart — with every fiber of your body. If you're lucky enough to find a guy with a lot of head and a lot of heart, he's never going to come off the field second.

DEAR STUDENT,

This letter is to advise you that you have been placed on warning by the members of the Committee on Academic Status. This means that you have less than a 2.00 (C average). You must have a cumulative point average of 200 or 3 term courses at a grade of C or better by the completion of the second term of the 1970-1971 academic year. Failure to achieve either of the aforementioned criteria will force the Committee to refuse to permit you to register for the spring term.

Your adviser and other personnel at the University will do everything possible to help you improve your academic performance. Please feel free to seek their counsel.

Sincerely yours,

Allen C. Ingram

Student Denounces Smoking At Concert

Editor, The Transcript:

It was obvious by the number of people smoking in Gray Chapel last Thursday night that the sight of the William Street Methodist Church progressing from no sign of smoke to total envelopment in flames in about ten minutes did not make everyone aware that the same thing could happen in Gray Chapel (with all those wide stairways for everyone to escape on).

Perhaps the sight of firemen carrying 1,000 charred bodies from Gray Chapel will help improve the smoking habits of those who will watch.

On Children

And a woman who held a babe against her bosom said, Speak to us of Children.

And he said:

Your children are not your children.

They are the sons and daughters of life's longing for itself.

They come through you but not from you,

And though they are with you yet they belong not to you.

You may give them your love but not your thoughts,

For they have their own thoughts.

You may house their bodies but not their souls,

For their souls dwell in the house of tomorrow, which you cannot visit, not even in your dreams.

You may strive to be like them, but seek not to make them like you.

For life goes not backward nor tarries with yesterday.

You are the bows from which your children as living arrows are sent forth.

The archer sees the mark upon the path of the infinite, and he bends you with his might that his arrows may go swift and far.

Let your bending in the archer's hand be for gladness;

For even as he loves the arrow that flies, so he loves also the bow that is stable.

—David Amirault, Smith Hall

" 'Almost everything that is great has been done by youth,' said Disraeli: a case of working at a college, of excellence, at least by association."

—Malcolm S. Baroway, Director of Public Relations

"The job market hasn't been this tight since the early thirties!"

—Mrs. Peg P. Boecklin, Career Planning and Placement Center

"Educational and instructional concepts in today's schools and colleges must be ready to compete with the massive exposure that today's students are subjected to by the multi-media concept of television, radio, stage, and films."

—George R. Cryder, Director Audio-Visual Services

"On behalf of the faculty and students who benefit from your gifts -thank you."

—Robert A. Holm, University Relations

"In the game of life, it's a good idea to have a few early losses, which relieves you of the pressure of trying to maintain an undefeated season."

—Robert W. Horr, Student Affairs

"For all that has been, Thanks. For all that will be, Yes!"

—James Leslie, Chaplain

"Life is a mirror: if you frown at it, it frowns back; if you smile, it returns the greeting." —Thackeray.

—Catherine Schlicting, Library

"Private philanthropy must have as a goal the preservation of our dual system, public and private, of education. Should it allow this to die, it will semi-destroy itself in the process."

—Ronald J. Stephany, University Relations

"If we (the entire University Community) stop enjoying what we are doing in higher education, then we should close our doors before we become a society of semi-educated malcontents or just plain grouches.

—James D. Studer, Dean for Student Life

"Parting is such sweet sorrow."

—Mrs. Helen Taggart, M.U.B. Director

"Had I been present at the creation (of government documents), I would have given some useful hints for the better ordering of the universe." —Alphouso the Learned
